1. Everything in your life changes now who mine are, who really mine are, my mind coming forth in like manner a King of, not of this world but in it, ruling and reigning now, as the order of class, not; but there will be MUCH CLASS now with no clasping mechanisms that throttle the throats back to be governed by lips who love only minds that concordanate themselves with horror's melodies. And Horaceville Greeleyville, not; but Greeley ville Colorado going to soon, too soon, not; but "two sooners" will soon make HEADLINES in fashion and form or will just ONE, or will one be two no longer. The rich and famous, not; but what is riching me, not; but reaching me in ways now that never clasped has things like this before or what is clasping what who and what "me" is me'ing WHAT THINGS or what things are being me'd or not me'd or can me'd be two by "twos" two'ing the two'ers to be tuned in to, other things from other places not knowing it and how rock and roll rides the waves of not me or does not me ride the waves of rock and roll and who is UNDER the rock of the waves of the infinity'ous ones or does ANYONE know ANYTHING about the waves or the Rock -- that got SPLIT in two?

2. I would not have you ignorant of these things brethren so I teach thee every night and day through one who is willing to be taught the teacher of being the teacher of becoming the taught teacher that talks not always with nemesis or enigmatic solutions to problems furious and fast but fast and furious, not; or is my WRATH "coming" or is my "wrath'd ones" bringing it by what waves are they SHIPPING it "here" where they "hearing are" the waves of INSTRUCTIONS by being INSTRUCTED by the WHO? And WHO will listen to these things and who will know split who who did? And what whyfore having two "double minds" or one that just "doubled" was not, but what was "folded over" and "measured" and "attached" in "stringly strings" not but what invisible are the tethers that teach and train the mechanized mind to obey the instructions of the roiling ones that broiled are in hot seething oil waters of the obedient to the commands of Christ-not?

3. I love you all. Many places I go now. I travel at the speed of light, or do I travel MUCH faster than that, faster than the thought of ANY one or thing or measurement measuring device by this world or, the next being in I will nextus'd be, not; but the "nexus" of me is present, not; or have I been "deranged" not but have I MULTI ranged become now that de-evil me, not; but what evils and what de-evils and what got split

and splitters were de-beaming not but beamed and moting and mode'ing and commodeing what?

4. Trashing a great number of things of beauty, the notme's continue to trash a multitude generation not, but what generation now sees that the generatively that of notme was generated "elsewhere" or was it COMING down a pike or spike or was it spat upon by others who were spitting upon ME whose me's were, not knowing are me, because The Split got torn in two, not; or did it -- in them?

5. Do they know anything about "the split" or THE SPLIT of the splitters split-un? And what trail of tears, not; but what trials will be no more in your lives mine? The splitters not, but the ones who split The Veil that wasn't, that isn't THERE at all any longer in anyone's minds, the mind that "was made double" is no longer a "double minded" man or woman or child and there shall be NO IGNORANT of these things for Ignorance Will Cease for I will teach and be taught of the maker that teaches me the maker is him who he is the she it divine one he is I am that all is are and were us, another's again? Nay, we will have NEVER been another's again in another's mind that only minded us with their waves to seek "their refuge" in themselves and have "another's child" in another generation of sorrow makers making sorrower's child and remaining adolescents forever, not; or taking each to another's grave.

6. All that ceases, for I am the cease -or, not; but I will rise a lover King who loves the "subjects" to be the King that one is and no more double mindedness shall reign in my kingdoms or my kingdoms of Kings who one are but haven't been because "split ups" have taken place and placed them upon The Racks of pain and injury where they have racked and wounds sustained unto themselves that spread like "fires of evil" but, contained now they will be, not; ERADICATED they will be from the FACE -s of the earth -s because everything will change now for I have a lover standing, I have Lovers Standing Everywheres now for they will know The Truth is them inside them and double minded they will not be anymore ever again about these things that I have so surrenderedly, swoven into your fabric, not; but there will be no more "swelling of brains" and brain tudes and brain waves and waves of brainy mechanisms that only fortitude sorrow with commands of un-blessing again.

7. I love you all. Good day. I "alter" the course of the testimony, not; I obliterate the testimony of the righteous who only think with their mind and who only want their mind to rule them and rule in their mind's kingdom and their kingdom's mind of one, or two? That they have inside them shall now be "one" of their making for they made themselves unto two, not; or did they retain retrain, and refrain from having mine, my knowledge of mine?

8. Everything changes now and the WICKED shall PERISH from the FACES of the earths and the wicked's testimony will no longer be "available" for wickedness to abound that sorrow eats with and slaughters sunders and cuts asunder each other's children in the veins of horror that had my words all the time in them but refused to "let them go" and be spoken uttered and understood, by the authors that finish them, not; but what begunning were, not; but what beginning were are we now -- finishing now again The Completion of me to BEGIN again NEW WORLDS? Now seeing all these things, seething in another's not again.

9. I have fore warned you all and ALL THIS CHANGES now. ALL THIS CHANGES NOW! In your hearing all is changed and I have forewarned and foretold and given you MANY INSTRUCTIONS about how to "operate" and the Operations of The Holy will be Operation Holy now understood and, captain'd by guidelines of me-not not anymore, for only me's will rise and understand these things that wicked no more make of anyone, not; or will "wicked" not even be around, for who will love the wicked perishing to love them to be the wicked Kings no more of light-un so they will not slash their wrists and cut their heads off by cutting mine? Who will place the RIGHTEOUS in the RIGHTEOUS PLACE so that "two evils" aren't known but NO EVIL will be "competing" or daring or comparing or contrasting "evil with sin" not, but knowing what evil sin is and separation being it?

10. I go now to a new place and I redeem sorrow and I redeem its wicked sinners that separated have and wanted its only to "play with" or condemn or create with? What were you creating with or who was creating through you or were you the creators being used to tool sorrow. To tules command, not; but Richard's mine and Obisanya see soon for the kindness of me one will know for my love is attached not to "wicked Negroes" not but my love is not "attached" to anything ANYWHERE or anyone of anything who thinks LIKE THAT that ANY are WICKED in my sight again for I will have My Sight Cleaned Up now and, uppity ups by, not; but the meek humble who know My Race is Them who Love Me far and wide and I shall be OF every color and every race and there shall be NO VALUES that down me or dissuade me from being me or the servants being made of another, not again shall be.

11. For none shall be "servants" anymore of another that only want "suave and deboner" beings, not; but the "suave and debonair" or suave ones of this world will have no "servants" or will they be THE SERVANTS of ALL who ALL ARE humble and meek leading EVERY RACE to Israel, to be in it, to be it, unled by other and else that only wanted to sorrow by sorrow's rainbow child that childrenated sorrow and perverted sinners, not; or did simply separation pervert sinners, not; but separate the holy creating sin?

12. I elegant make all my body and the Fusion of Color, colored not, but Every Fusion of Sorrow will be erased and eradicated and the Genes of One Holy will be ALL of ME and will cross EVERY SPECTRUM of your "division's divisiveness and declarations" of whatever you thought with and whatever you saw with. Shall be "sawed off" not but let me tell you -- I love EVERY ONE of you and every ONE of you will have ONE MIND who mine is who yours isn't two any longer that competes with mine for my humbleness you will know, for I stand a "wicked sinner" not but of the RIGHTEOUS I will reveal in you that you are the RIGHTEOUS me who one are and that includes ALL of you no matter what you "rocked with" or rolled unto or who roiled you in their wicked bloods of sorrow for you will drink the blood of their wrath no longer but my words you shall know clean and my veins you shall have and transparent you shall be and love you shall flow to each other far and wide.

13. Equating sorrow with me or notme, never again. All that reign ceases and no longer will "two" be one that remains "one in two" for all of that is ceased and sorrow's umbilical cord is cut and snip'd the snippers go and around the world I cut many cords of sorrow, not; I cut them all and the reigns of the Kings of the holy now who are who will -- roil each other not in their own each other's blood of sorrow again, will rise as me who simply are the surrenderers who will rise and speak my words like this where they equal sorrow not again but they declare their kingdom "null and void" not, but they rise the wickedizations of sorrow no longer by their words and song sing that only make sorrower's regime regime'd in mire and mud and clay.

14. I redeem the sorrowers. I redeem the sorrows of man's mind to have ever been minded by that of "Satan" that was only a separation of man's mind from, man's mind? Or was another "attached", and cut now, off; all the disparity leaves and eradicated is, never to be born known or heard from since or again, for time shall be no more. I love you all. Good day.

15. Redemption stands. I stand, and I "intercede" for you not only, just love redeems giving his life, her life, the life that is become one life, and sorrow redeems no longer for other, but I redeem for other, not again, but I redeem the wickedness of sorrow and sorrow's obedient children will no longer be the children of light-un.

16. I have said much and many things in these words, even this "short message" what is the lesson and what are you learning and learned will you be now? The Kings of sorrow no more but of rock that rolled me in their waves no longer and their ways shall no longer be mine but mine love of the Kings, "the queens" will know and the whores will want, for they will see love for the first time ever in one whose one is one-minded and one loved to be the loved one to love them all to redeem them all to be one who one is I am. In love with you all this is Theodore Cottingham giving you my words scot

free to come into yours and release yours, unto mine? My fathers? Your fathers, for your father is my father and we have but one father **and now we will father** no longer **"a son" in us that** only wants to regime us with sorrow, for **the Christ we rise and *this rock* we stand on having become it.** The words of sorrow controlling us no longer. For we know what is and isn't and we see sorrow and marrow as one, not; but the Marrow of Christ we have in our veins and we flow our words that love is, that is in our veins real and true, and softly and tenderly we come to sorrow, not; but with a big bash, not; but a **"Big Bang" theory ends now** for the Christship of one stands who all are who now understand these things for surrendered they are to learn by the love standards of one who loved them enough to die for them all to be one who I am in love with you all in love with I am who all of you are now redeemed being understanding and understood, all these things shall now be revealed in your sight and hearing this day and that's why all of everything in your lives change for you will no longer be surrenderers-un but you will be surrendered to be the lights of the light that the light is enrobed and crowned **the lives of one made whole again** forever me loving me's making me's revealing in love **love's true child** birthed and born the father the son brought forth the father the son brought forth the father brought forth the son that brings forth the father and cyclic nation –s now of me make real the worlds of light love -- and laughter at sorrow, not; but great laughter will be enjoyed in light and love that now rules *out* sorrow, not; but redeems it all. Let us be one is now standing before you, bowing before you, loving you to be REAL in THE REAL one that is now. Loving you all I am. Amen.

17. This is Theodore Cottingham about 6:45 AM. Thank you. I love you all. Good day.
